

EU CODE OF CONDUCT ON RESPONSIBLE FOOD BUSINESS AND MARKETING PRACTICES

Coca-Cola in Europe

JUNE 30TH 2022

Meeting the 2030 SDG targets depends to a large extent on the transformation of food systems. That is why The Coca-Cola Company and its leading bottling partners in Europe, [Coca-Cola Europacific Partners](#) and [Coca-Cola Hellenic Bottling Company](#), **support the EU Commission's Farm-to-Fork Strategy objective** to accelerate the transition to sustainable food systems. Our ambition is to ensure that for our consumers the healthier and more sustainable choice becomes the easy choice.
