Related document: Initiative to limit industrial trans fats intakes in the EU

Feedback:

Euro Coop welcomes the roadmap “Initiative to limit industrial trans fats intakes in the EU”, and takes the opportunity to provide its feedback on the matter.

In short, Euro Coop calls for a mandatory upper legal limit on the TFA content of food. More information about Euro Coop's position, as well as an overview of the initiatives taken by consumer co-operatives to limit TFA intake are available in the document attached.

Please do not hesitate to contact us should there be any questions regarding this position; we definitely welcome potential future collaboration on the matter.
